Terms and Conditions

- Policy requires a 50% deposit on any order greater than \$10,000 unless terms state otherwise.
- All orders are cash-based transactions. If payment is to be paid by MasterCard, Visa or American Express, a 3% processing fee will be added to the total.
- Under normal circumstances, RJE will invoice Tippecanoe County Health Department the day product is received at the RJE Warehouse unless terms state otherwise. In the event the project is delayed for reasons beyond RJE's control, and it is not possible for the product to be received at the project site, Tippecanoe County Health Department will be required to pay RJE the invoice balance 30 days from invoice date.
- A 1.5% monthly fee will apply to late payments.
- RJE's product specifications are based on the most recent, approved electronic drawings provided by Tippecanoe County Health Department and/or designer. If the most recent approved electronic drawings provided by Tippecanoe County Health Department and/or designer do not correctly reflect the current space, and Tippecanoe County Health Department and/or designer have approved specifications for ordering based on these electronic drawings, the product might need to be conformed to fit the current space and additional charges may apply.
- All product covered in this quotation is "made to order" and will be ordered on behalf of Tippecanoe County Health Department. Items ordered are not subject to cancellation. Should cancellation be required and if it is not possible to do so, Tippecanoe County Health Department agrees to be completely responsible for any and all charges incurred as a result of said cancellation, restocking, and/or related administrative costs. In the event of a breach or threatened breach of this agreement by Buyer, Seller can recover its damages, including but not limited to its reasonable pre-litigation and post-litigation attorney fees and costs.
- All labor charges have been based on the understanding that the building facilities will accommodate all specified items without special handling, as well as having a finished space in which to work with adequate lighting and with minimal interference from other trades. In the event it is necessary to stage product in areas other than those originally intended, additional handling charges may apply.
- New product being received at RJE's Warehouse may be stored for a period of up to 30 days at no charge to Tippecanoe County Health Department. Beyond 30 days, applicable storage charges will be invoiced to Tippecanoe County Health Department. Any such charges will be indicated in advance and will be negotiated in the best interest of Tippecanoe County Health Department. If Tippecanoe County Health Department requires existing product to be held at RJE's Warehouse, additional fees will be charged on a monthly basis per cubic feet.
- The proposal is valid for 30 days. Thereafter, verification will be required.
- We are pleased to submit the above proposal for your consideration. Should an order be placed, be assured it will receive prompt attention. The signature of a representative of your firm who is authorized to obligate your firm under contract in the State of Indiana, indicates in the space provided below your firm's acceptance of the above terms, conditions, and description of items and/or labor for sale, and authorizes RJE to proceed with the order.

Thank you for the opportunity to be of service.

Terms and Conditions

- Policy requires a 50% deposit on any order greater than \$10,000 unless terms state otherwise.
- All orders are cash-based transactions. If payment is to be paid by MasterCard, Visa or American Express, a 3% processing fee will be added to the total.
- Under normal circumstances, RJE will invoice Tippecanoe County Purdue Extension the day product is received at the RJE Warehouse unless terms state otherwise. In the event the project is delayed for reasons beyond RJE's control, and it is not possible for the product to be received at the project site, Tippecanoe County Purdue Extension will be required to pay RJE the invoice balance 30 days from invoice date.
- A 1.5% monthly fee will apply to late payments.
- RJE's product specifications are based on the most recent, approved electronic drawings provided by Tippecanoe County Purdue Extension and/or designer. If the most recent approved electronic drawings provided by Tippecanoe County Purdue Extension and/or designer do not correctly reflect the current space, and Tippecanoe County Purdue Extension and/or designer have approved specifications for ordering based on these electronic drawings, the product might need to be conformed to fit the current space and additional charges may apply.
- All product covered in this quotation is "made to order" and will be ordered on behalf of Tippecanoe County Purdue Extension. Items ordered are not subject to cancellation. Should cancellation be required and if it is not possible to do so, Tippecanoe County Purdue Extension agrees to be completely responsible for any and all charges incurred as a result of said cancellation, restocking, and/or related administrative costs. In the event of a breach or threatened breach of this agreement by Buyer, Seller can recover its damages, including but not limited to its reasonable pre-litigation and post-litigation attorney fees and costs.
- All labor charges have been based on the understanding that the building facilities will accommodate all specified items without special handling, as well as having a finished space in which to work with adequate lighting and with minimal interference from other trades. In the event it is necessary to stage product in areas other than those originally intended, additional handling charges may apply.
- New product being received at RJE's Warehouse may be stored for a period of up to 30 days at no charge to Tippecanoe County Purdue Extension. Beyond 30 days, applicable storage charges will be invoiced to Tippecanoe County Purdue Extension. Any such charges will be indicated in advance and will be negotiated in the best interest of Tippecanoe County Purdue Extension. If Tippecanoe County Purdue Extension requires existing product to be held at RJE's Warehouse, additional fees will be charged on a monthly basis per cubic feet.
- The proposal is valid for 30 days. Thereafter, verification will be required.
- We are pleased to submit the above proposal for your consideration. Should an order be placed, be assured it will receive prompt attention. The signature of a representative of your firm who is authorized to obligate your firm under contract in the State of Indiana, indicates in the space provided below your firm's acceptance of the above terms, conditions, and description of items and/or labor for sale, and authorizes RJE to proceed with the order.

Thank you for the opportunity to be of service.
